

Ritornellos Slippy & Shiny

Caring for the sick

Caring for the deprived

Caring for freedom

Freedom

Freedom to talk pain

Pain

Freedom

Freedom from consumption

Freedom to consume

Pain

Melancholy

Freedom from confusion

Confusion

Freedom

Others

Pain

Languages

Freedom

Drowned

Melancholy

Drowned

Freedom

Weeping in a row

Weeping disintegrated

Freedom

Melancholy

Grief

Blocked

Attachments

Stitched

Re-stitched

Told, un-told

Melancholy

Freedom

Quoted, unquoted

Distorted

Flattened

Freedom

Mis-losed

Found and mis-flattened

Melancholy

Glitz and glitter

Glue and glum

Lost and found

Again

Begin again absorbed

Melancholy

Freedom

Absorbed and re-heard

Confusion

Heard

Blast and heard

Freedom

Melancholy

Constructed reconstructed

Reconstructed construction

Construction

Hope

Gratitude

Distance

Breath

Freedom

The futures of history

Condensed

Freedom

Absorbed again

Begin

Freedom

Mouths espoused

Ensnared

Embraced

Tongues on tongues

Of saliva and sound

Freedom

Come to me my melancholy

Rhizomic wetness

History friezes

Wrapped and enchanted

Body and soul

In a row

The books of love and the love of books

Melancholy

Confusion of tongues and labials

Reaching breathless

Breathing lost

For a want of more

Loss breathing freedom

In pours of pores

Constellations beyond the embrace

Frictions spawning frictions

And hope

Attachments loosened

Melancholy be-freedom'd

Time

Flattened

Volcanic hilarity

Dispersed

Transitions beyond measure

The slowness of time

Lived

Be-raved frayed and splayed

For the slow sun to slowly trudge

And the dark

Bleeds the dark

For a want

A buzzing

In the sticklebacks

For a want

A blank stare

Flooded with the pictures

Of a want

Community

Bleeding communities

For a want

Enrichment

Bleeds competition

For a want

And fault shrieks

At fault

In this melancholy freedom

The scars of freedom

Freedom

Melancholy

Shrieks and screams

Signs and bandannas

On the winds of time

Freedom

Solidarity

In tatters and streams

Solidarity

And the choruses of No

Chorus

And hurricanes of the unknown

Known

Doubts and faults

Whistling through the air

Air

Tricksters

Bemoaned

Moans of joy

Joy

Masterpieces

In pieces

Masks

And magicians

Be-magic'd

For a want

Freedom
